Dear Jeff

Your annual bicycle insurance is due for renewal on 13/06/2020. We've prepared a renewal quote based on your current policy which will cost **£527.89** for the year. Renewing customers pay 25% less than new customers*, but hurry, this discount will expire when the renewal date passes.

Due to the increasing cost of repairs, claims frequency and inflation, our new business rates have increased since you purchased your current policy. However, as a renewing customer, you benefit from our 25% discount on the premium that is charged to new customers.

WE DON'T AUTO RENEW, SO YOU NEED TO ACT.

Renewing your cover is easy.

1. Simply [click here](#) to log into your account
2. Once logged in click "renew" to review and amend your cover if necessary
(If you need to add another bike, we offer a 60% multi-bike discount and family cover as standard)
3. Select which payment option suits you best, and you're done!

PLEASE DON'T FORGET TO READ ALL INFORMATION AND CHECK IT'S CORRECT.

Enclosed in this document is a statement of facts and our terms of business. If you would like printed versions of your documents, they are available on request free of charge. Our terms of business detail our services as an insurance broker separate to those of the insurer. Please make sure you take extra care when looking at the sections; our service, our product range, the range of insurers used and your responsibilities.

For future reference, all information is available within the customer area of our website, where you can make changes to your policy and personal information. You can log in to your account [here](#).

The legal bit

At Yellow Jersey, we source and arrange products but do not offer advice or make recommendations when arranging your insurance. This policy is suitable for any eligible cyclist wishing to insure their bicycle(s), accessories, additional wheelsets, helmet and clothing against theft and accidental damage, in addition to legal liabilities which may arise out of the use of a bike, for the period of one year, with the option to renew at the end of the insurance period.

The Ultimate level of cover is suitable for cyclists who want cover for their bikes while racing, while traveling for periods of up to 120 days worldwide, and/or for bicycles worth more than £3000. You must make your own decision as to whether this policy is suitable for your specific needs.

Last year your total annual or annualised premium** was £1054.90.

*The renewal discount cannot be used in conjunction with any other discount.

**An annualised premium includes any adjustments you may have made during the year. For example; if the annual premium at the start of a policy was £300, but six months in a second bike was added, there would be an additional premium of £50. This represents an annual equivalent cost of £100. The total amount paid for last year's Insurance in the example was £350. The total annualised premium for the example is £400.
