Dear Wendy

Your 1 month free Bicycle Insurance from Electric Rider is due to expire on 02/06/2021. If you would like to continue cover for your bike, you will need to renew.

We've prepared a renewal quote based on your current policy which will cost **£72.88** for the year, including our 25% renewal discount*.

This quote is for our Essentials level of cover, but you will have the option to switch over to our Performance or Ultimate cover if they suit your needs better.

WE DON'T AUTO RENEW, SO YOU NEED TO ACT.

Renewing your cover is easy.

1. Simply log into the customer area at yellowjersey.co.uk
2. Once logged in press "policy options" and then select "renew policy" to review and amend your cover if necessary (If you need to add another bike, we offer a 60% discount and family cover as standard)
3. Select which payment option suits you best, and you're done!

A 5 STAR SERVICE

We took all of our claims in house in 2019, and feedback from customers who have had to claim through us has been exceptional. This is a testament to our dedicated claims team who have been working tirelessly over the past 18 months to bring you the very best claims experience.

If you need to claim on your policy, you will be able to speak to a knowledgeable cyclist who will look to repair or replace your bike as quick as humanly possible through our extensive trade network. If you don't believe us, here's what Jamaall and David had to say after we settled their claims.

Great Service

Anyone would agree that coming off your bike is traumatic enough. Damage to yourself and your precious road machine. But I definitely have to thank the yellow jersey team for the early responses and genuinely helpful approach to handling my claim. I was quite surprised at how quickly they got back to me and sorted replacement parts etc.

I'd say all cyclists should be on board with this, great service all round and peace of mind.

Great experience

Great experience. Kien handled my claim really well from start to finish. Lots of options were provided for me to replace my stolen bike! Making a claim was completely straightforward as it should be, but is not always the case with insurance companies, would recommend 100%.

The legal bit

At Yellow Jersey, we source and arrange products but do not offer advice or make recommendations when arranging your insurance. This policy is suitable for any eligible cyclist wishing to insure their bicycle(s), accessories, additional wheelsets, helmet and clothing against theft and accidental damage, in addition to legal liabilities which may arise out of the use of a bike for periods of up to one year, with the option to renew at the end of the insurance period.

The Essentials level of cover is suitable for cyclists who want cover for their bikes while cycling in the UK. You must make your own decision as to whether this policy is suitable for your specific needs. It is always a good idea to shop around, but be careful to compare like for like cover.
