## Fantastic genuine service

Having had my pride and joy stolen Kien offered a brilliant service and I can not fault. Kien was most helpful, professional and informative throughout the process. Kien showed a genuine care to help to resolve the claim as quickly and efficiently as possible guiding me throughout the process. The whole process was quick and payment into my account for the loss was smooth.

I was initially worried about claiming for the loss of my bike as you hear many horror stories about claims being rejected. However, this was not an issue as I did have the receipts, photos and proof of purchase needed to make my claim even if I had to ring the the shop to get the details. Luckily they had my purchase on file.

Word of warning please make sure you keep all bike receipts and accessory receipts in case you need to claim as this information needs to be provided to validate your claim. Makes life easier if to hand and prevents any dissatisfaction if your claim is rejected. It does say this is needed in the policy.

So glad I chose Yellow Jersey to insure my bike.

Kien you were fantastic! You made the whole experience less stressful.

Thank you so much

And remember, that claiming on your policy will **not** affect your renewal price the following year.

## I had an accident with my bike

I had an accident with my bike, caused by poorly visible road works. My bike frame cracked. YJ got my bike repaired, and also paid for the rental of a replacement bike for a competition in Italy. Through YJ I also was offered legal advice to sue the company carrying on the road works. There was no risk from my side, as YJ would cover legal fees anyway. The case was handled very professionally and in the end the solicitors found an agreement with the other side and I got a fair compensation for the accident. Overall a great experience, I'd highly recommend the insurance.

I also have a travel insurance with them - excellent service also on this.

At Yellow Jersey, we source and arrange products but do not offer advice or make recommendations when arranging your insurance. This policy is suitable for any eligible cyclist wishing to insure their bicycle(s), accessories, additional wheelsets, helmet and clothing against theft and accidental damage, in addition to legal liabilities which may arise out of the use of a bike, for the period of one year, with the option to renew at the end of the insurance period.

The Performance level of cover is suitable for cyclists who want cover for their bikes while riding or taking part in sportives, while traveling for periods of up to 30 days within Europe. This cover excludes claims which occur while racing, while traveling outside of Europe, for single trips exceeding 30 days. You must make your own decision as to whether this policy is suitable for your specific needs.

Last year your total annual or annualised premium\*\* was £171.38. Please note, if you adjusted your policy last year, your renewal will be taking into account any adjustments made.

\*The renewal discount cannot be used in conjunction with any other discount.

\*\*An annualised premium includes any adjustments you may have made during the year. For example; if the annual premium at the start of a policy was £300, but six months in a second bike was added, there would be an additional premium of £50. This represents an annual equivalent cost of £100. The total amount paid for last year's Insurance in the example was £350. The total annualised premium for the example is £400.
