Dear Mark

Thank you for choosing **Yellow Jersey Performance cycling insurance** for another year.

Please find below a statement of facts, schedule of insurance and our terms of business. You will also receive a policy summary document and the policy wording. If you would like printed versions of your documents, they are available on request free of charge.

PLEASE DON'T FORGET TO READ ALL INFORMATION AND CHECK IT'S CORRECT.

Yellow Jersey's terms of business detail our services as an insurance broker separate to those of the insurer. Please make sure you take extra care when looking at the sections; our service, our product range, the range of insurers used and your responsibilities.

For future reference, all information is available within the customer area of our website, where you can make changes to your policy and personal information. You can log in to your account [here](#).

Refer a friend

Share your unique code YJ102147 with friends and they'll save £10 off their annual bicycle insurance. For every person that signs up, you'll get £10 credit towards your annual renewal. Credit can be used in conjunction with the 25% renewal discount we give to every customer, even if they've made a claim.

Feefo

You will soon receive an email from the independent review company, Feefo. We value all feedback, so please take a moment to let them know about your Yellow Jersey experience.

The legal bit

At Yellow Jersey, we source and arrange products but do not offer advice or make recommendations when arranging your insurance. This policy is suitable for any eligible cyclist wishing to insure their bicycle(s), accessories, additional wheelsets, helmet and clothing against theft and accidental damage, in addition to legal liabilities which may arise out of the use of a bike, for the period of one year, with the option to renew at the end of the insurance period.

The Performance level of cover is suitable for cyclists who want cover for their bikes while riding or taking part in sportives, and while traveling for periods of up to 30 days within Europe. This cover excludes claims which occur while racing, while traveling outside of Europe, and for single trips exceeding 30 days. You must make your own decision as to whether this policy is suitable for your specific needs.
